

Reporting a power outage has never been easier. When you dial our toll-free Outage Reporting Hotline at 1-888-FOR-MY-OUTAGE (1-888-469-6882), our automated system will collect the information needed for Wiregrass Electric Cooperative crews to restore your power as quickly and efficiently as possible.

It's important that we have your correct phone numbers on file when you report an outage. To ensure the most efficient response, please update your phone numbers. You can mail, fax (334-588-0683) or email ([membercare@wiregrass.coop](mailto:membercare@wiregrass.coop)) your form.
