
E-BILL, LEVELIZED BILLING AND BANK OR CREDIT CARD AUTO-PAY

- (1) E-BILL -- Starting with your next statement, you will receive your energy bill electronically via e-mail. This e-bill will look exactly like your current paper bill. You can either print a copy or just make a note of the amount for you records.
- (2) LEVELIZED BILL -- Take the surprises out of your electric bill. Even though the amount of energy you use changes with the seasons, your bill will change very little from month to month. Your monthly bill will be the average of your past 12 months' power bills. Although your bill may fluctuate some each month, there is no 'true up' at the end of the year. (Must have good credit history and have been a member of Wiregrass Electric Cooperative for at least 12 months. Account must be paid in full on time each month to remain enrolled in the program.)
- (3) BANK DRAFT or CREDIT CARD AUTOPAY -- You won't have to worry about late payments again. Your account is automatically debited on the date it is due. (Your bank account or credit card information is necessary to enroll in this program.)
