Terms and Conditions:

WHEREAS, Wiregrass Electric Cooperative, Inc. ("WEC") is desirous of controlling its wholesale power demand costs; and

WHEREAS, WEC seeks the assistance of its Members in order to assist in controlling demand costs; and

WHEREAS, the undersigned Member is desirous of participating in this program.

NOW, THEREFORE, in consideration of the terms and conditions set forth herein the undersigned Member consents and agrees as follows:

1. Member agrees to participate in WEC's load control program.
2. WEC agrees to have a licensed electrician install its load control equipment on member's _____ water heater(s) at no cost to member.
3. The undersigned member understands and agrees that WEC will control the times at which member's water heater(s) will turn on and off in order to better manage its demand cost.
4. WEC agrees to use its best efforts to manage this load control equipment in such way as to cause minimal or no inconvenience to member.
5. WEC and member agree to cooperate in good faith in order to reduce WEC's demand cost and to do so with minimal or no inconvenience to member.
6. Member agrees to participate in the program for a minimum of two (2) years and agrees that unless the undersigned provides WEC with written notice of member's desire to terminate this agreement that it shall automatically renew hereafter.
7. Participation in this program shall be at no additional cost to member.
8. Member's failure to honor this agreement, including failure to honor appointment for installation of equipment, may result in early termination fees and installation charges.
