

High Efficiency Water Heater Program In Conjunction with the Touchstone Energy® Home Program Form

Wiregrass Electric Cooperative, Inc. (henceforth Cooperative) will provide a high efficiency water heater to its members under the following conditions at no cost:

1. Applicant must be a member of the Cooperative in good standing.
2. Applicant must own residence where water heater is to be installed.
3. Must be the first water heater installed in the residence.
4. Home must meet the Touchstone Energy Home Program criteria (attached).
5. Applicant must agree to and sign form to have Load Management Device installed on water heater at no cost to member.
6. Residence where water heater is to be installed must be receiving energy from the Cooperative.
7. Water heater must be installed in a permanent residence.
8. Only one water heater per member owner.
9. The water heater must be installed within ninety (90) days.
10. The water heater must remain where installed.
11. If, for any reason, Cooperative is unable to certify home as Touchstone Energy® Home, applicant will be billed for wholesale cost of water heater.

I certify that I have received a water heater and will comply with all of the above conditions.
